

Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

YES	This is stated in the Residents' Complaints Procedure	Management is aware that a service request can become a complaint if not addressed in a timely manner
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	YES	This is stated in the Residents' Complaints Procedure	LDHS perform regular surveys to gain resident opinions/ insights. The results of these surveys are discussed with residents at the monthly meeting

Each complaint must be considered on its own merits	YES	This reason for not accepting a complaint is in the Residents' Complaints Procedure	
2.2	A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents. Acceptable exclusions include: • The issue giving rise to the complaint occurred over twelve months ago. • Legal proceedings have started. This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court.	YES	Residents' complaint procedure confirms this.

Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	YES	Residents' complaint procedure confirms this.	
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	YES	Residents' complaint procedure confirms this and signposts the Ombudsman	
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	YES	Residents' complaint procedure confirms that all complaints will be considered on an individual basis

3.4	Landlords must make their complaint policy available in a clear and	YES	The policy is available from our website and a hard copy is

YES	The complaint definition will be determined at the outset of the complaint by the CEO or House Manager
